

Bradford Christian School

Volunteer and Visitor Policy

Policy written March 2017 – Review date March 2019

1 Statement

- 1.1 Bradford Christian school is committed to safeguarding pupils, young people and vulnerable adults and expects its volunteers and visitors to share that commitment.
- 1.2 Volunteers have an important role to play in bringing a range of skills and experience that can enhance the learning opportunities of pupils. As a school, we therefore welcome and encourage volunteers.
- 1.3 As a school, we aim to provide our pupils with a broad, balanced and enriched curriculum. We see the inclusion of volunteers and visitors input into the school's curriculum as one means of ensuring that we meet this aim. This enables our pupils to question and learn from 'experts' from various walks of life and disciplines which allows our pupils to gain a wider view of the world and gain insight into the lives of other people. We recognise the valuable contribution this makes to the core and enhanced curriculum.

2 Child Protection

- 2.1 The welfare of our pupils is paramount. To ensure the safety of our pupils, we adopt the following procedures:
 - All volunteers are given a copy of the Volunteer Policy and asked to sign a Volunteer Agreement (Appendix 2)
 - The school will seek an Enhanced DBS (Disclosure and Barring Service) clearance for a volunteer before they come into school. This is not required where a volunteer is engaged in a 'one-off' activity and working alongside a teacher, e.g. helping supervise a group of pupils as part of a class visit. However, such volunteers, who will be under the constant supervision of school staff, must read and sign our Off-Site Visit Agreement (Appendix 3).
 - Any concerns a volunteer has, about child protection issues, should be referred to the designated safeguarding lead or Head Teacher.

3 Volunteers

- 3.1 The School supports parents/carers and other adults who wish to work as volunteers in our school. Currently our volunteers include:
 - Members of the Governing Body
 - Parents/grandparents/carers of pupils
 - Ex-pupils
 - Students on work experience
 - University students referred to us by Student Volunteer Services
 - Ex-members of staff
 - Friends of the school
- 3.2 There are two main ways of helping within Bradford Christian School: -
 - Occasional support for school events, visits or trips: these are events where parents/carers/volunteers commit to supporting an individual event. As this is classed as infrequent contact, Disclosure and Barring Service (DBS) enhanced checks are not required and permission to undertake this role is at the discretion of an SLT member. However, where such trips involve more frequent contact with pupils, such as residential trips, a DBS check will be a mandatory requirement.
 - Regular support in school. (By regular we mean two or more days a week or four times within any one month) This is when parents/ carers or other adults offer regular support to the school for a period of time. This commitment will be discussed with a member of school's senior management team and

mutually agreed duties will be defined. All regular visitors who support school will have an induction briefing to ensure they are aware of school's key policies, administrative rules and regulations, including the school's dress code, staff conduct and confidentiality requirements. All adults who wish to help regularly will require valid Disclosure and Barring Service (DBS) clearance. Adults who do not yet have clearance will under no circumstances be left alone with a child or group of children. Currently all adults who volunteer for two or more days a week or four times within any one month will be required to complete a DBS check and their details will be held on our Single Central Record (SCR). The SCR is a document which details all adults who have regular contact with our pupils. We aim to ensure that no person deemed unsuitable to work with children will have unsupervised access to the pupils in our school. They will be asked to sign in and wear a visitor's badge. Regular, long term helpers will have a badge made.

3.3 The types of activities that volunteers engage in, on behalf of the school, include:

- Hearing pupils read
- Working with small groups of pupils to assist them in their learning
- Working alongside individual pupils, as an additional tutor
- Accompanying school visits

This is not an exhaustive list.

4.0 **Work Experience & Training Placements**

4.1 In addition, we offer work experience placements for adults in training, as well as young people wishing to have work experience in a school setting. In such cases, the vetting is carried out by the applicant's host agency. Students on placements from universities or colleges will be vetted by their place of study and a formal statement of assurance will be provided to school prior to commencement of their placement. Where secondary school students seek work experience, a statement of assurance as to their suitability will be obtained from their school and they will be supervised by a suitable adult throughout their placement (This will usually be the class teacher). Whilst these measures are strictly adhered to, we wish to assure all volunteers of our commitment to supporting their learning experience and stress that we value their contribution. All work placement students will have an induction briefing to ensure they are aware of school's key policies, administrative rules and regulations, including the school's dress code, staff conduct and confidentiality requirements. They are all asked to sign in and wear a Visitor's badge. Students on longer placements will have a badge made.

5.0 **Specific Guidance for members of staff organising visits from external agencies**

5.1 The following procedures should be followed by all school staff involved in organising visits from external agencies and speakers:

- Add the visit to the visiting speakers log held in Mr Moon's office. (Format Appendix 5)
- Prior to the visit, discuss with the visitor how their session will add value to the pupils' learning experience. If possible obtain set of notes prior to or during visit to be included in the log and to assure the arranger of content.
- Ensure the visitor/external agency learning outcomes complement school's planned programmes or schemes of work and is in line with school policies. (This is particularly important in Health areas e.g. Sex & Relationships Education).
- Be confident that the visitor/external agency has the required expertise in the subject they are delivering together with the necessary experience and skills to deliver sessions that are age appropriate and factually accurate.
- Discuss and agree the aims / desired learning outcomes of the session prior to the session running, professional boundaries, including responsibility for classroom discipline.

- Inform each visitor/external agency of all relevant information to ensure the inclusion of all pupils. This may include the age and gender ratio of students, background, ethnicity and culture of students and special education needs (if applicable).
- Provide each visitor with named school contact.
- Ensure the activity meets Health and Safety guidelines.
- Staff must ensure such visitors are aware of school's core policies such as Safeguarding and provide access to any further relevant documentation e.g. relevant risk assessments.
- All staff must inform the relevant people of the intended presence and remit of visitor: e.g. Head Teacher, office staff.
- Organise, meet and greet arrangements and classroom/assembly lay out.
- Ensure the relevant staff member/s (i.e. class teacher) is present during the session, as they are responsible for class discipline, monitoring, safeguarding and evaluation.
- Ensure the pupils are given time to reflect on what they have learned.

6.0 **Contractors**

6.1 Wherever possible, maintenance work carried out by external contractors is completed outside pupil access hours. However, there are times when this is not possible. In such cases delivery staff, maintenance engineers and contractors may access and carry out routine and emergency work on the school site. These visitors are required to meet school's safeguarding requirements which consist of the following procedures:

- All contractors are required to sign and date the visitor log book. (Note: on departure, all visitors are required to enter a time of departure to meet Health & Safety requirements.)
- A school visitor badge will be issued and prominently worn. This is to assure all staff in school that contractors have completed the above procedures and therefore are known and recorded to be on site.
- A member of staff will accompany an external contractor if they are working in an area of the school with access to students.
- Where appropriate the school will inspect the contractors safe working plan and working method statement and require the contractor to comply with the school's health and safety policy.

7.0 **Visiting Local Authority and National Health Service Professionals**

7.1 Visiting staff from the Local Authority and Primary Care Trust that are in a regulated activity with school do not have to comply with the aforementioned vetting procedures as their organisations have issued a statement of assurance. These statements assure school that their host organisations have obtained DBS disclosure certificates.

7.2 However, they will be asked to sign in, show proof of their identity and wear a visitor's badge.

8.0 **Process for recruiting a volunteer**

8.1 Anyone wishing to become a volunteer, either for a one-off event such as a school visit or on a more regular basis, e.g. hearing pupils read, approaches the Head teacher, Senior member of Staff or Class Teacher directly.

8.2 Volunteers should complete the Volunteer Application Form (Appendix 1) with their contact details, types of activities they would like to help with, and the times they are available to help.

8.3 Where volunteers are required for a specific area within school the following process will be applied:

- The senior leadership team will identify the need and role.

- The candidate/s will attend the school for an informal discussion with the department head to ensure the applicant is suitable for the role.
- The school will seek An Enhanced DBS (Disclosure and Barring Service) clearance for a volunteer before they come into school to volunteer, to make an informed decision when accepting volunteers to work with children. This is not required where a volunteer is engaged in a 'one-off' activity and working alongside a teacher.
- On their application form volunteers will be asked to provide the names and addresses of 2 referees to provide a reference for them. These references will be requested and scrutinised before the volunteer can begin work in the setting and any concerns addressed before a definite decision to appoint is made. These references should not come from a family member or family friend.
- The volunteer will be made aware of the role and responsibilities they will be undertaking
- If appropriate, references will be sought where the volunteer arrangement will continue on a regular basis.
- There will be a formal induction process during which the school corporate policies and documentation will be explained and issued. These will include safeguarding, child protection, Health and Safety, Behaviour Management and E safety policies along with the volunteer handbook.
- Where the volunteer works for two or more days a week or four times within any one month the volunteer will be required to complete an Enhanced DBS check and their details will be held on our Single Central Record (SCR).
- Volunteer records will be with the main staff records.
- Before starting to help at Bradford Christian School, a volunteer will complete the Volunteer Agreement (Appendix 2), which sets out the school's expectations of its volunteer and to confirm they have received a copy of this Agreement.

9.0 Volunteer Values

9.1 Once appointed volunteers will be expected to comply with the schools aims and purposes which can be accessed below:

9.1.1 **School Aims:** All adults / Young People who work in our school, whether a paid member of staff, or a volunteer are expected to work and behave in such a way as to actively promote our school vision:

- 11.2 Volunteers should have clear guidance from the designated supervisor as to how an activity is carried out/what the expected outcome of an activity is. In the event of any query/problem regarding the pupil's understanding of a task, behaviour or their welfare, volunteers must seek further advice/guidance from their designated supervisor.
- 12.0 **Health & Safety**
- 12.1 The school has a Health & Safety Policy and this is made available to volunteers working in the school. An appropriate member of staff will ensure that volunteers are clear about emergency procedures (e.g. Fire Alarm Evacuation) at induction and about any safety aspects associated with particular tasks (e.g. using D T equipment/accompanying pupils on visits).
- 12.2 Volunteers need to exercise due care and attention and report any obvious hazards or concerns to the designated Supervisor/Head teacher.
- 12.3 Volunteers are covered by Bradford Christian School's Health & Safety Statement and indemnity and Public Liability Insurance.
- 13.0 **Complaints Procedure**
- 13.1 Any complaints made about a volunteer will be referred to the Head teacher or appropriate senior member of staff, for investigation.
- 13.2 Any complaints made by a volunteer will be dealt with in the same way.
- 13.3 The Head teacher or designated safeguarding lead reserves the right to take the following action: -
- To speak with a volunteer about a breach of the Volunteer Agreement, provide any clarification in terms of expectation that might be required and seek reassurance that this will not happen again.
 - Based upon the facts identified in the investigation it may be necessary for the School to inform the volunteer that it is no longer appropriate for them to volunteer at the school.
